

# TESLYTE

## Step Light LED Retrofit

### Emerging Applications

- Ideal for old step lights that had water or moisture get into the step lights and required heavy-duty weatherproof die cast aluminum face plate with integral cast louvers and sealed tempered clear glass.
- Step and deck lights for nighttime security and orientation around building exteriors

### Features

- Mounting plate can be custom-fit specifically to any existing step lights
- 5 year warranty

### Standard Part Numbers

Wattage	Part Number	Description
6.5 Watts	RF-SL10-U-G-6W5-30-WH-ND	6.5W - Univ. 120Vac - 107.6LPW @ 3000K CCT
	RF-SL10-U-G-6W5-30-WH-D	6.5W - Univ. 120Vac - 107.6LPW @ 3000K CCT - Dimmable
	RF-SL10-U-G-6W5-40-WH-ND	6.5W - Univ. 120Vac - 107.6LPW @ 4000K CCT
	RF-SL10-U-G-6W5-40-WH-D	6.5W - Univ. 120Vac - 107.6LPW @ 4000K CCT - Dimmable
13 Watts	RF-SL10-U-G-13W-30-WH-ND	13W - Univ. 120Vac - 100LPW @ 3000K CCT
	RF-SL10-U-G-13W-30-WH-D	13W - Univ. 120Vac - 100LPW @ 3000K CCT - Dimmable
	RF-SL10-U-G-13W-40-WH-ND	13W - Univ. 120Vac - 100LPW @ 4000K CCT
	RF-SL10-U-G-13W-40-WH-D	13W - Univ. 120Vac - 100LPW @ 4000K CCT - Dimmable

### Custom Engineered Solutions

- ☐ Color changing LED Step Light with wireless controls
- ☐ Custom completed Step Light kit including the faceplate, LED light engine, and junction box for IP66 or higher
