### Features

Teslyte TL-BL-5CF is an elegant LED bollard that provides exceptional illumination while creating a visual comfort to any area and walkway. Its sleek and contemporary design is suitable to complement any modern and classic architecture. The TL-BL-5CF series is engineered to be durable and high performance with two housing configurations to choose from: diagonal cut or horizontal cut.

- **Housing:**
  - Extruded Aluminum housing for superior durability.
  - Horizontal or diagonal cut cylindrical column.
  - Properly secure all components within the housing.
- **Lens:**
  - Frosted Acrylic Lens that diffuse light uniformly.
- **Finish:**
  - Powder coat finish that provides superior resistance to corrosion, weathering, and scratches.
- **LEDs:**
  - Integral highly efficient LED module and driver.
  - Up to 25W
- **Applications:**
  - Low-level path and walkway.
- **Mounting:**
  - Mounting kit included with anchor bolts.
- **Ratings:**
  - Suitable for wet locations.
  - 5-year warranty.
